

Erotic vs. Fictional Literature

By Patrick Hubbell

Amazon's Parental
Control settings do
nothing for Children
reading books!!

Amazon's Parental Control

- **Parental Controls Restricts based on what the parent selects**
- **Parental Control for books is restricted on purchase and not on viewing.
(If book is free)**

Accuracy

- 90% on Test Data
- 90% on Test Data
- 77% on Test Data

Solution

Solution

I feel Amazon should implement....

- **A Program to filter through stories/ books for specific genres**
- **A function in Parental Control that restricts access to “Adult” novels.**
